CKC is reviewing all of its policies as part of its ongoing governance review. This includes the CKC Appeals Policy. While the CKC Appeals Policy provides a formal opportunity to appeal a decision the parties may agree, as part of the internal appeal process and notwithstanding the procedures detailed in the current CKC Appeal Policy, to attempt mediation before the SDRCC as a potential solution to resolve a dispute. In the event that the parties do not agree to pursue mediation or if mediation does not resolve the dispute, the internal appeal process shall continue pursuant to the procedures detailed in the CKC Appeals Policy.
