

**October 20, 2021**

Located in Windsor, NS, the Pisiquid Canoe Club is currently accepting Expressions of Interest from qualified sprint canoe/kayak coaches for the position of **HEAD COACH**. This is a year-round, full time coaching position with a salary commensurate on experience, which would consider a relocation bonus or mileage reimbursement as part of the competitive compensation package.

Pisiquid is a small-medium sized, rural community, sprint/flatwater canoe and kayak club offering competitive and recreational paddling to 100-125 youth members and up to 10-15 masters paddlers throughout the summer season. Our year-round paddling training program consists of 25-30 high-performance and junior high-performance athletes, all U17 to U12 members. From this year-round group, there are currently 10 Pisiquid athletes that have been named to ADCKC Atlantic Kayak and Canoe HP Teams and had 6 kayak athletes qualify for singles events at 2021 CKC Nationals in Ottawa. On a per-paddler basis, Pisiquid has performed well above the median, compared to other clubs within Atlantic Canada and across the country.

Interested candidates are requested to submit written responses stating their previous competitive paddling and coaching experience, along with their vision to support our continued operational growth and success. Our Board of Directors shall select candidates for interviews based on the responses received. Interested candidates should send their Expression of Interest in letter format along with their resume, as soon as possible to [bradcarrigan@eastlink.ca](mailto:bradcarrigan@eastlink.ca).
