

CANOE KAYAK CANADA

Call for Candidates

National Sprint Officials Committee – Athlete Representative

Canoe Kayak Canada is looking for one individual to join the organization's National Sprint Officials Committee (NOC) as the Athlete Representative. This position is instrumental in providing an athlete's perspective to the discussions and decision-making of the organization.

The main role of the NOC is to provide technical direction and oversight of the officiating aspects of the sprint racing discipline.

The Athlete Representative for the NOC is not required to be or have been previously a National Team Athlete or be an active athlete. However, the ideal candidate should have experience racing at the Canoe Kayak Canada National Championships within the last few years.

In addition, the ideal candidate will have:

- Knowledge of Canoe Kayak Canada's domestic club system, domestic competition in Canada, as well as the Sprint Racing Discipline Competition Rulebook
- Ability to commit to virtual meetings quarterly, or more if necessary
- Willing and able to travel, in accordance with government health safety measures, to one or two in person meetings a year, which may take place over a weekend (including the CKC Annual Summit)

This is a one-year interim volunteer position with the opportunity for renewal. Due to COVID and the inability to have had elections at this year's National Championships, the CKC Athlete Committee will make a recommendation for the position after receiving the applications.

Interested candidates are required to complete the attached form in order to be considered for the position.

Please send applications to Chair of the CKC Athlete Committee, care of Ben Russell by email to benruss@gmail.com.
