PAM AM CHAMPIONSHIP REGATTA CRITERIA SUPPLEMENT 2022

Final Selection Criteria Approved by the Sprint Racing Council – March 17, 2022

INTRODUCTION

1. General

This Selection Criteria Supplement is subject to and will be applied in accordance with the principles and procedures as outlined in the National Team Selection Procedures 2022 - Sprint Document found on the [CKC Website](#).

2. Performance Objectives

This 2022 Pan Am Championship Regatta Selection Criteria shall be applied in accordance with CKC's performance objective which is to identify Crews who have demonstrated the ability/potential to make a Top 8 finish in an Olympic event at the competition for which they are being considered. The Pan Am Championships in 2022 are the qualification events for the 2023 Pan American Games, because of this they are a priority regatta for top performances.

The final race card for this event is to be determined, but this criteria is working on the assumption that only Senior events will be raced. In the event that other events will be raced at the Pan Am Championships, this Selection Criteria Supplement will be updated accordingly and impacted athletes will be notified of any changes.

The Pan Am Championships will take place directly after the Senior World Championships, August 10-12, 2022.

3. Selection Overview

- 3.1 Nominations to the Pan Am Championship Team will be made at the discretion of the CTO from the pool of athletes racing at the Senior World Championships.
